Part A: Read.

This is Mike. He's nine years old. He's tall and thin. He's got short red hair. He's got small brown eyes. He can dance and he can swim. He can't ride a bike.

Every Monday, he plays football with his brother at home. Every Tuesday, he swims with his friends at school. On Wednesdays, he sings Chinese songs. On Thursdays, he plays computer games at home. Every Friday, he draws pictures in his bedroom.

Part B: Write the day please.

As pretty as you please;

جیسے خوبصورت آپ چاہیں

But the bow that bridges heaven,

لیکن کسان جو جنت پر پل بنا رہتا ہے ،

And overtops the trees,

اور درختوں کو پیچھے چھوڑ دیتا ہے

And builds a road from earth to sky,

اور زمین سے آسمان تک ایک سڑک بناتا ہے ،

Is prettier far than these.

وہ ان سے کہیں زیادہ خوبصورت ہیں۔

I am a Food ball

I am a food ball. My name is chicken. I traveled in different person by process of digestion But I remembered My Journey in ali's digestion. He brought me from market and his mother cooked me and put me in plate. Ali picked me in his soft hand and put in to his mouth. He used his teeth to chewed me and tasted me with his tongue by his teeth. He loved me into smaller pieces and swallowed me into food pipe, then i went into Stomach. The friend of stomach (Liver) produce a bile to help my fat digestion. I broke into smaller pieces and went into small intestine and then into Large intestine. When I reached into Large intestine, Rectum was there to welcome me. He opened the door of anus and I get out from the body. Hence I completed my journey of digestion.
